

TMHS Extracurricular Activities

The Treutlen County Board of Education feels that students who represent the school system in after school activities should be model students.

Any Treutlen County student who has been arrested, charged, convicted in a court with felony or an offense which would be considered to be a felony if the student were an adult, a violation of drug laws, or sexual misconduct of a serious nature will lose all privileges of participation in competitive and non-competitive extracurricular or athletic activities sponsored by the school.

The length of suspension from participation in these activities will be until all charges are dropped or one calendar year from the date of the arrest, whichever occurs first. If the arrest results in either a plea or conviction, the student will lose all privileges of participation in extracurricular or athletic activities for a minimum of at least one calendar year following the plea or conviction. After one year, the student may apply to the building principal for the suspension to be lifted. If the student is not satisfied with the decision of the building principal, the student may appeal the matter to the Treutlen County Board of Education.

This policy is in addition to any other discipline or other action, which the Board of Education may issue to the students.

Clubs

School sponsored clubs (excluding competitive interscholastic activities or events) are those under the sponsorship, direction and control of the school that organize and meet for common goals, objectives and purposes. State Law requires that parents have the right to withhold permission for their students to participate in any school sponsored club or organization designated by them. The following school sponsored clubs will be in operation during this school year. You, as the parent/guardian, have the right to withhold in writing your permission for your student's participation in any club or organization.

Beta Club

Promotes academic achievement. Students are invited to participate based upon their current academic standing in school. Club participates in community service projects as well as attending state and local meetings. Various field trips are taken throughout the year.

Sponsor: Janice Walden

FBLA (Future Business Leaders of America)

Promotes activity for those students interested in pursuing a career in business field. Club attends district and state competitions. Guest speakers are invited to provide information to students. Students participate in field trips. To learn more visit www.fbla-pbl.org for more information.

Sponsor: Karen Hester

FCCLA (Family, Community, and Career Leaders of America)

Promotes opportunities for students to develop leadership skills so that students may become more productive citizens, as they become adults. The club performs community service projects. Students attend local and state meeting and participate in field trips. To learn more information visit www.fccla.com for more information.

Sponsor: Angela Brazeal

FFA

Promotes careers for those students interested in the field of agriculture. Students are involved in competitions throughout the year. Students attend state and local meetings. To learn more information visit www.ffa.com for more information.

Sponsor: Barry Norris
